MAKE A DIFFERENCE

Therapeion relies on donations to help fund our programs and keep our horses well taken care of!

ANY AMOUNT HELPS!

Student scholarships are $160 per summer or fall session. It costs about $390/month per horse when averaged over the entire year. (This covers feed, board, vet care, and other expenses.)

4 EASY OPTIONS

Encourage friends, family, and anyone else you can think of to make a tax-exempt donation to Therapeion online!
